PAPAW'S TREE FARM

PHOTOGRAPHER PROPERTY USE, LIABILITY & PHOTO PERMISSION AGREEMENT

1. Assumption of Risk & Release of Liability

I understand that Papaw's Tree Farm ("Farm") is an active farm property and may include uneven ground, mud, gravel, roots, plants, trees, tools, equipment, vehicles, animals, weather-related conditions, and other ordinary farm or outdoor hazards. I voluntarily choose to enter and use the Farm for photography and assume responsibility for the risks associated with my visit and the activities I choose to undertake.

To the fullest extent permitted by applicable law, I release and hold harmless the Farm and its owners, operators, employees, and representatives from claims for injury, illness, loss, or damage arising from my visit or photography activities, except to the extent a claim cannot legally be released, including where caused by the Farm's negligence if and to the extent such a release is prohibited by law. This agreement does not waive rights that cannot legally be waived.

I am responsible for my own safety and for the safety and supervision of my clients, guests, assistants, and any minors in my party. I will stay in areas authorized by the Farm, follow all posted and verbal instructions, keep a safe distance from equipment, animals, and restricted areas, and promptly report any unsafe condition or incident to the Farm.

2. Damage to Farm Property

I agree to use the Farm and its property carefully. I accept financial responsibility for damage to buildings, fences, plants, trees, decorations, equipment, signs, or other property caused by me or by anyone in my party through my actions, negligence, or failure to follow Farm instructions. I agree to pay the reasonable cost of repair or replacement, as applicable, after the Farm provides notice and reasonable documentation of the damage and cost. Ordinary wear and tear and damage not caused by me or anyone in my party are excluded.

3. Rules & Conduct

- Use only the areas approved by the Farm and do not enter buildings, fields, or work areas marked or identified as restricted.
- Do not move, climb on, attach items to, or use Farm equipment, structures, trees, or decorations as props without express permission.
- Leave the property as you found it and remove all personal items, props, litter, and equipment at the end of the session.
- You are responsible for communicating these rules to your clients, guests, and assistants.
